

TERMS OF USE

Thanks so much for supporting my doodle store!

For Personal Use Only

My doodles are intended for use in **your own personal projects**. You may not use doodles for commercial purposes or monetary gain. My illustrations may not appear in any type of items for sale or distribution, even if you are distributing for free. Please do not share or swap the image files with others. Please do not use illustrations to decorate blogs, websites, or social media accounts as this makes them available for others to download.

For Educators

You may use my doodles in curriculum-based materials and other items in **your own classroom** setting, as well as in brochures, signs, flyers, and other informational materials to promote school activities and events.
